205 Orchard Dr, Sisseton, SD 57262

At Coteau des Prairies Health Care System (CDP), our commitment to providing exceptional care to our patients remains our top priority. We deeply appreciate your trust in us as your healthcare provider.

As you may be aware, we recently made the decision to discontinue Obstetrics and Gynecology services at our clinic and hospital effective February 1, 2024. However, we understand the importance of accessible women's health services, especially prenatal care, for our community.

In light of this, we are pleased to introduce Mariah Eastman, PA, a dedicated provider in family practice, who will be expanding her care to offer comprehensive women's health services at our clinic in addition to her family practice services. With a focus on ensuring continuity of care for our patients, Mariah Eastman will be available to address your women's health needs with compassion and expertise.

Additionally, we are excited to announce that we are collaborating with a new outreach provider, Dr. Jessica Dickes from Sanford Watertown Clinic. Dr. Dickes will be joining us at our Sisseton Clinic two Thursdays a month to provide OB/GYN clinic appointments. It's important to note that while Dr. Dickes will be offering OB/GYN services, our hospital will not be facilitating deliveries. Instead, this outreach initiative is designed to enhance access to care close to home, particularly for prenatal care and other obstetric and gynecological needs.

We understand the significance of having convenient access to healthcare services, especially for women's health. Our goal is to ensure that you receive the support and care you deserve, right here in our community.

If you have any questions or would like to schedule an appointment with Mariah Eastman or Dr. Jessica Dickes, please don't hesitate to contact our clinic. We are here to assist you every step of the way.

Thank you for entrusting Coteau des Prairies Health Care System with your healthcare needs. We look forward to continuing to serve you and your family with excellence and compassion.
